

REQUEST FOR PROPOSALS
SURFACE TRANSPORTATION BOARD
ENVIRONMENTAL CONSULTANT SERVICES
PORT KC
ADDENDUM #1

Date: June 30, 2020

Summary of Changes:

The deadline for submission has been extended.

The deadline for the Proposal submittal has been extended to **Monday, July 13, 2020 at 3:00 PM Central Standard Time.**

This deadline has been extended as a result of technical interruptions at Port KC, which delayed the posting of answers to questions that were timely submitted by interested contractors.

Any contractor that previously submitted its proposal may submit an update to the same prior to the extended deadline should it elect to do so in response to the posted questions and answers.
