

**REQUEST FOR QUALIFICATIONS**

**FINANCIAL SERVICES**

**PORT KC**

**ADDENDUM #1**

**Date:** June 29, 2020

**Summary of Changes:**

The deadline for submission has been extended.

The deadline for the Statement of Qualifications ("SOQ") submittal has been extended to **Monday, July 13, 2020 at 3:00 PM Central Standard Time.**

This deadline has been extended as a result of technical interruptions to Port KC's website, which delayed the posting of answers to questions that were timely submitted by interested financial institutions.

Any financial institution that previously submitted its statement of qualifications may submit an update to the same prior to the extended deadline should it elect to do so in response to the posted questions and answers.
